## NGJA COURSE STUDY INFORMATION

## NGJA COURSES

The State has hosted two NGJA courses, DFW and Houston. The participation in both of them has been fabulous. Thank you to Eric Briley, Cameron Sweny, and Mark Sherman for doing such a great job putting this year's courses together.

There is one FINAL course this Saturday. This will be the ONLINE course. This is the first we have had in a nonpandemic time, to allow those that were unable to make it to the previous two courses to get their certification for this upcoming season.

## NCAA Challenge Team Registration OPEN

Instructions for registering your team for the 2022 NCAA Judges Challenge can be found below. Participation in this is a great opportunity to get warmed up for the season and knock any rust off and apply new rules to routines. Here is the URL for the NCAA Challenge page:

<http://64.227.58.251/ngjachallenge>

Click on "LOG IN" (no username or password) to begin the registration process.

Below are the general rules for the challenge:

### Entry Requirements

1. Two or more people can form a team (please no more than 5 on a team)
2. At least one team member must be an NGJA member
3. Foreign teams are encouraged to participate
4. Coaches and interested parties can participate as team members with an NGJA judge
5. Teams must be entered no later than Monday, 21 November
6. There is no entry fee

## TGJA JUDGES AVAILABILITY

TGJA Members, make sure that you fill out the TGJA Judges Availability form that is linked below. It can also be found on the TGJA website under Developmental Program. This will help our Technical Vice President, Eric Briley, assign meets this season.

## TGJA WEBSITE CHANGES

TGJA's website is under construction currently. We are changing up the layout to best include all the organizations that our judges represent. The goal is that this will be a one-stop shop for anything you will need to judge.

TGJA Membership is now open for registration. You must be a member to officiate in US Developmental Program meets. To click the button below
